

Long Range Dispatch

CAPABILITY STATEMENT

Who We Are

We move general freight, both full and partial truckloads. If you want something shipped you just contact us with the information on the load, approve our quote and we make it happen. We monitor the progress of your load and deal with any issues that arise, while keeping you updated with load status. Specializing in Hotshot, Flatbed and Dry Van loads. Following through on every load with attention to detail is our standard. We make freight transport easy anywhere in the lower 48 states.
