

Who We Are

Company Data

Live Communication and Logistical Precision: At Long Range Dispatch, we prioritize direct and live communication with our clients, ensuring clear and timely updates throughout the transportation process. Our focus on logistical precision guarantees efficient and accurate handling of your shipments.

Specialization in Dry Van, Flatbed, and Hotshot Carriers: we have the knowledge and resources to handle diverse transportation requirements. We match your specific needs with the most suitable carrier for seamless delivery.

Comprehensive Services: We offer a wide range of services, including less-than truckload (LTL), truckload (TL), and expedited services. Whether you have a partial load or need a time-sensitive delivery, we have the capabilities to meet your requirements.

Level 3 Card Processing: As part of our commitment to convenience and efficiency, we provide Level 3 card processing. This streamlines payment procedures, ensuring secure and seamless transactions for our clients.

Quick, Easy, and Cost-Effective Movement of Freight: We understand the importance of fast and cost-effective freight transportation. Our optimized processes and strong industry relationships enable us to move your freight swiftly and efficiently, saving you time and money.
